

Poly General Purpose Absorbents - Pads - Rolls - Mini Booms / Socks

When you need a universal maintenance absorbent that is great value for money, our Poly GP range is perfect.

Made from virgin resin polypropylene, our absorbents do not have recycled content that can compromise strength and chemical resistance.

The heat welded dimples make sure you turn your liquid hazard into an easily managed solid fast. The spun bonded laminate provides extra strength and prevents shedding.

They are suitable to use with a wide range of chemicals including hydrocarbons, agricultural chemicals, coolant and even battery acid.

| SPECIFICATIONS | | | | |
|----------------|--------------------------------------|-----------|--------|----------|
| Item Code | Description | Size | Grade | UOM |
| GP403 | Pads, dimpled, laminated, perforated | 480x430mm | 400gsm | 100/bale |
| GP410 | Pads, dimpled, laminated, perforated | 480x430mm | 200gsm | 100/bale |
| GR411 | Roll, dimpled, laminated, perforated | 50mx500mm | 200gsm | Each |
| GR412 | Roll, dimpled, laminated, perforated | 50mx1m | 200gsm | Each |
| GC405 | Spill containment pillow | 450x450mm | | 10/pack |
| GB412 | Spill containment boom | 1.2mx75mm | | 10/bale |
| GB430 | Spill containment boom | 3.0mx75mm | | 10/bale |

FEATURES

- Super absorbent polypropylene micro-fibres suitable for all non-aggressive chemicals.
- Can also be used with some acids and bases including battery acid.
- General purpose absorbents are made from 100% virgin resin polypropylene.
- Contains no recycled contaminants that can reduce strength, absorption and chemical resistance.
- All pads and rolls are laminated with low-lint spun woven cover stock.
- Pads and rolls in this range have heat bonded dimples for fast absorption.
- Pads are perforated to reduce use for small spills.
- The easy-tear perforation on all rolls make them convenient to use. Just tear off what you need.
- Colour coded grey for easy recognition and fast response.
- Dispensing boxes available at additional cost.

GENERAL PURPOSE SPILLFIX SPILL KITS

The SpillFix spill kits, featuring an organic absorbent, are perfect for diverse settings such as warehouses, factories, and construction sites. With two distinct types of absorbents, these kits ensure comprehensive liquid absorption from surfaces, distinguishing them from others on the market.
