

Wet/Dry and Oily Areas - Heavy Duty 549 Safety Stance™

High quality anti-fatigue matting for use in areas where there can be frequent oil spilling. Drainage holes and raised studs provide aeration and allow fluids and debris to fall through, leaving a dry and tidy top surface. Made of 100% nitrile rubber compound, designed to withstand industrial oils and harsh chemicals. Suited for multi-shift operations.

Ergonomic benefit derived from 22 mm thick resilient worker platform. Highly visible nitrile rubber orange coloured borders included on 3 sides for added safety.

Aggressive slip-resistant surface. Cleaning with detergent and waterjet is recommended for extended service life. Standard size mats are loose lay and require no installation. Nonshifting. Free of silicone therefore safe for vehicle painting facilities.

Recommended use: Heavy Duty WET/DRY Industrial Environments

- For placement in manufacturing plants, production lines, assembly lines, CNC machines, metal working for individual workstations and custom work platforms.

FEATURES

- 100% Nitrile rubber
- Orange coloured borders included on 3 sides
- Overall thickness: 22 mm
- Special characteristics: Resistant to most chemicals, Free of DOP, free of DMF, free of ozone depleting substances, free of silicone and free of heavy metals
- Resistant to industrial oils and harsh chemicals

549 SAFETY STANCE™ (ORANGE/BLACK)

SPECIFICATIONS

Item Code	Dimensions	Weight kg
549S26400B	66 cm x 102 cm	8.8
549S31240B	97 cm x 315 cm	37.2
549S38640B	97cm x 163 cm	21

RECOMMENDED ACCESSORIES:

- 549K Safety Stance™ Connectors
- 549N Safety Stance™ Ramps Nitrile 5 mm
